PROFESSIONAL EXPERIENCE

ALTEN India Private Limited — Bengaluru

Aug 2023 – Present

Competency Manager | Delivery Centre: Customer Services

Clients: *Volvo Group (Renault Trucks | Mack Trucks | UD Trucks | Eicher) & RNTBCI (300+ Consultants)*

- Lead end-to-end workforce strategy for 300+ FTE engineering perimeter: competency management, staffing governance, career development, and operational excellence across multiple global automotive accounts.
- Recruited and onboarded 100+ resources within a 3-month window to meet delivery demand — managed campus hiring campaigns, lateral hiring programs, and consultant integration.
- Drove employee attrition down from 25% to 10% through targeted retention programs, engagement initiatives, structured career conversations, and enhanced development pathways.
- Optimized bench utilization from 15% to 5% by implementing proactive competency mapping, redeployment frameworks, and capability-building plans for idle resources.
- Designed and maintained competency frameworks, skills matrices, and workforce capability roadmaps aligned to business growth and customer delivery requirements.
- Governed Learning & Development agenda: conducted training needs analysis, designed quarterly upskilling programs, and oversaw competency development for 150+ consultants.
- Managed full employee lifecycle — onboarding, probation reviews, career committee discussions, mobility decisions, PIP management, and performance improvement initiatives.
- Supported budget planning, salary governance, and workforce cost optimization in coordination with Finance and HR leadership.
- Contributed to RFI/RFQ responses and pre-sales activities — achieved 3 successful business wins out of 4 opportunities in collaboration with Business Development teams.
- Received Top People Manager Award – 2026 for exceptional people leadership, engagement, and team performance.

LTIMindtree Private Limited — Bengaluru

Apr 2022 – Aug 2023

Specialist Software Engineer | Lead SME – Azure Cloud & DevOps

Clients: *Starr Insurance Companies, USA | BFSI Domain*

- Managed Microsoft Azure cloud infrastructure operations covering VMs, VNets, App Services, Azure SQL, and Storage Accounts for a US-based insurance client.
- Built and maintained CI/CD pipelines in Azure DevOps for application build, testing, and deployment; managed source code repositories, version control, and release configurations.
- Administered Azure Active Directory, security policies (NSGs), VPN connectivity, and user access management.
- Supported backup, disaster recovery, and data migration using Azure Backup, Azure Site Recovery, and AzCopy.
- Collaborated with development, infrastructure, and business teams via ServiceNow ticketing to resolve cloud, deployment, and infrastructure issues.

ALTEN India Pvt. Ltd. — Bengaluru

Dec 2018 – Apr 2022

Senior Engineer — Technical Writer & Illustrator

Clients: *Volvo Group Trucks & Technology | Spare Parts Information & Service Engineering*

- Developed and maintained Service & Spare Parts Information (SPI) catalogues for Volvo Trucks, Volvo Buses, Renault Trucks, UD Trucks, Mack Trucks, and Eicher vehicles using PDM and PLM systems.
- Contributed to Electric Vehicle (EV) programs — developed spare parts catalogues and high-voltage wiring harness documentation across multiple OEM brands.
- Authored repair and maintenance manuals using Simplified Technical English (STE), ensuring globally consistent, technically accurate service instructions.
- Created publication-ready technical illustrations from CAD models and engineering drawings using CorelDRAW, Adobe Illustrator, Creo View, and CATIA Composer.

- Analysed Engineering/Design Change Notices (ECN/DCN) to assess spare part interchangeability and implement product changes with precision.
- Recognised by Volvo Group for high-quality delivery on the Electric Truck documentation program — 2022.

HCL Technologies Limited — Bengaluru

Sep 2017 – Nov 2018

Data Analyst — Technical Author & Illustrator

Clients: *Volvo Group Trucks & Technology | Spare Parts Information & Service Engineering*

- Developed spare parts catalogues and technical documentation for Volvo Group vehicles using OEM authoring tools (Arbortext, KOLA PDM).
- Created technical illustrations from CAD models and engineering drawings; supported aftermarket service documentation quality improvement initiatives.
- Awarded HCL Excellence Performer of the Quarter — AMJ 2018, for outstanding documentation quality and on-time delivery.

PROFESSIONAL ACHIEVEMENTS

- Top People Manager Award – 2026, ALTEN India — Recognized for exceptional people leadership, employee engagement, and high-performing team development across a 300+ FTE workforce.
- Delivered measurable workforce outcomes at ALTEN India: attrition reduced from 25% → 10%, bench utilization from 15% → 5%, and 100+ hires in under 3 months.
- RFI/RFQ Success — Supported 3 out of 4 business wins through capability presentations and pre-sales proposal contributions.
- Volvo Group Appreciation — Recognized for quality delivery on the Electric Truck spare parts documentation program, 2022.
- ATEXIS Idol of Ambition Finalist – 2019, for demonstrated initiative, growth, and organizational contribution.
- HCL Excellence Performer Award – Q2 2018, for outstanding automotive technical documentation quality.
